

Artist Description

Artist Management Factory © [AMF] is managed by young people for young people offering young people to gain on the job experience about management of 'self and others' by managing local artists in a dynamic and interactive way.

Would you like the opportunity to be managed by AMF © for free?

We are looking for local urban artists or artists who are interested in making urban music for example indie, acoustic, dance, RnB, Hip-Hop, Grime, Soul, Gospel, etc. In the main, we want artists who have positive, conscious, up-lifting and meaningful music.

All artists need to have had previous studio experience and/or live performance

What will AMF© offer?

Our offer to you will be:

- Free studio recording time, vocal training and performance techniques
- The opportunity to perform at an event in December to boost profile
- Your very own web page which will include a professional biography

Need an Application...

You will need to provide AMF© with a fully completed application form and either a live audition video, audiofile, or link to a viewable performance

Interview/Audition...

If your application is successful you will need to be available **Wednesday 15th or Thursday 16th October** between the times of **11am - 5pm** for a panel audition
